WE TAKE YOUR ACCOUNT SECURITY TO HEART.

If you contact our support desk for assistance, we'll ask you to answer security questions to confirm we're speaking with you.

Please select three questions and provide answers at least two characters long.

INFORMATION

Due to privacy laws, PaySchools is unable to help you add students or staff to your account. The student or staff ID, first name, and last name you enter MUST match the information your district has provided to PaySchools. If you're having trouble adding a student or staff member to your PaySchools account, please contact your district to check their spelling or format of the name or ID number.

State *

New Jersey

District *

Stem To Civics Charter School
